

**West Shore School District**  
**Curriculum Map – Electrical Engineering Transportation 2**

Week	Module/Unit
1	Wiring tools and safety
2 3	Residential wiring techniques
4	Magnetism
5 6 7	Magnetic fields and propulsion
8 9 10 11 12	Electromagnetism/Electromagnetic fields
13 14 15	PCM lab/RPM conversion
16 17 18	RC car construction/soldering
